Important Information

The Employers Liability (Compulsory Insurance) Regulations 1998 lay down certain obligations for employers and in particular You should be aware of the following:

Display of Certificates

We will provide You with a Certificate of Employers Liability Insurance and this will state clearly the companies covered by it. You must display either an original copy or make available a copy of the Certificate of Employers Liability Insurance in an electronic format at each Business Premises where Your Employees can see it easily.

Retention of Certificates

The Employers' Liability (Compulsory Insurance Amendment) Regulations 2008 remove the requirement for You to retain copies of Certificates of Employers Liability Insurance that have expired for at least forty (40) years. However, it is still good business practice to retain the certificates because certain claims for example disease, could be made many years after the disease is caused and if We cannot be identified You could be liable for any payments.

Employers' Liability Tracing Office

Certain information relating to Your insurance Policy including without limitation, the Policy number(s) employers' names and addresses (including subsidiaries and any relevant changes of name), coverage dates, employer's reference numbers provided by Her Majesty's Revenue and Customs, and Companies House Reference Numbers (if relevant) will be provided by the Employers' Liability Tracing Office (the ELTO) and added to an electronic database (the database).

This information will be made available in a specified and readily accessible form as required by the 'Employers' Liability Insurance: Disclosure by Insurers Instrument 2010'. This information will be subject to regular periodic updating and certification and will be audited on an annual basis.

The database will assist individual consumer claimants who have suffered an employment related injury or disease, arising out of their course of employment in the UK for employers carrying on or who have carried on business in the UK and who are covered by the Employers' Liability insurance of their employers (the claimants):

- * To identify which Insurer (or Insurers) was (or were) providing Employers' Liability cover during the relevant periods of employment; and
- * to identify the relevant Employers' Liability insurance policies.

The database will be managed by the ELTO.

The database and the data stored on it may be accessed and used by the claimants, their appointed representatives, Insurers with potential liability for UK commercial lines Employers' Liability insurance cover and any other persons or entities permitted by law.

By entering into this insurance contract, You will be deemed to specifically consent to the use of Your insurance Policy data in this way and for these purposes.

Data Protection

We may use the details You have given Us:

- to provide You with a quotation.
- to deal with Your Policy
- to search credit reference agencies (who may keep a record of the search)
- to support the development of Our business by including Your details in customer surveys for market research and compliance business reviews.

Your information comprises of all the details We hold about You and Your transactions and includes information obtained from third parties.

If You contact Us electronically, We may collect Your information identifier, for example internet protocol (IP), address or telephone number supplied by Your service provider.

We share Your details with approved organisations for fraud prevention purposes and with companies where We are legally obliged to do so.

Under the Data Protection Act, We can only discuss the given details with You. If You would like anyone else to act on Your behalf please let Us know. Your details will not be kept longer than is necessary.

From time to time We may change the way We use Your information. Where We believe You may not reasonably accept such a change, We shall write to You. If You do not object You will consent to that change.

Under the terms of the Data Protection Act 1998 You are entitled to a copy of all information We hold about You.

Your personal details may be transferred to countries outside the European Economic Area (EEA). They will at all times be held securely and handled with the utmost care in accordance with all principles of UK law.

Sensitive information

Some of the information We ask You for may be sensitive personal data as defined by the Data Protection Act 1998 (such as information about health or criminal convictions). We will not use such sensitive personal data about You or others except for the specific purpose for which You provide it and to carry out the services described in Your Policy. Please ensure that You only provide Us with sensitive information about other people with their agreement.

The Contract of Insurance

Your Policy is underwritten by certain Underwriters at Lloyd's and other insurance companies stated in Your Schedule of insurance (hereinafter called the 'the Underwriters').

You have provided information to Us which includes, but is not limited to, the information detailed in the Statement of Fact or Proposal Form. You agree that all information provided to Us is true and is incorporated in and forms the basis of Your Policy.

In consideration of payment or agreement to pay the premium, the liability of an Underwriter under this contract is several and not joint with other Insurers party to this contract to indemnify You within the limits, terms, conditions and exceptions of Your Policy against the events set out in the sections operative, and occurring in connection with Your Business during the Period of Insurance, and any subsequent period, for which You pay and the Underwriter agrees to accept a premium.

An Underwriter is not jointly liable for the proportion of liability underwritten by Underwriters, nor is an Underwriter otherwise responsible for any liability of any other Underwriter that may underwrite this contract.

The proportion of liability under this contract underwritten by Underwriters is stated in Your Schedule.

Where the Underwriter is a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an Underwriter. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that members' proportion. A member is not jointly liable for any other members' proportion. Nor is any member responsible for any liability of any other Underwriter that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyds syndicate and their respective proportion may be obtained by writing to Market Services at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where circumstances so require, this should be read as a reference to contracts in the plural.

Each Underwriter is only liable in respect of the cover provided under the section(s) of Your Policy shown against them in Your Schedule and not any other section.

Signed for and on behalf of the Underwriters

Paul Dilley

Head of Underwriting, UK Specialty
